

# HOW TO INSTALL DECORATIVE COVER CASSETTE NEUVO

V043024

## UNBOX THE SHADE

### 1 Installation with or without mounting bracket

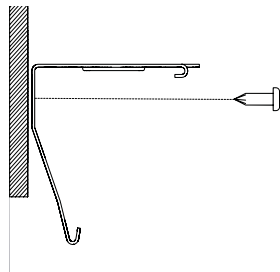

- Note: 1 mounting bracket or 1 screw every 18". Number of mounting brackets or screws will vary according to the length of the shade.
- Keep a minimum distance of 2" (50mm) from the edge of the assembly and center of mounting bracket and screw.

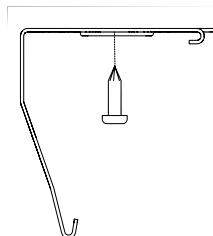

### 2 Installation options with mounting brackets

- Use the correct screws for the application. The screws provided are ideal for most interior applications.
- Ensure brackets are level.

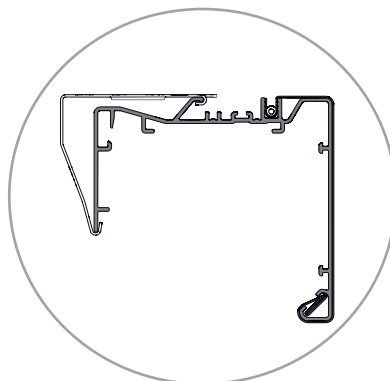

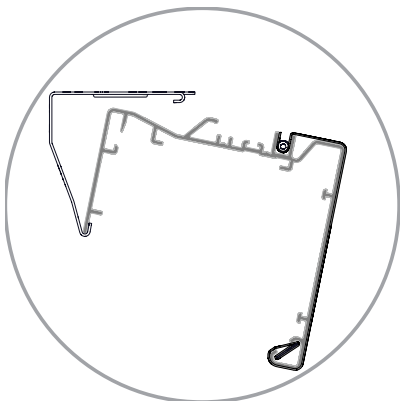

FACE WALL MOUNT

TOP CEILING MOUNT

### 3 Attach cassette assembly to mounting brackets as illustrated.
